

2019-2020 ACE Information:

Each Year the Exchange Club of Oklahoma City Awards one \$2000 ACE Scholarship to a Local Oklahoma City High School Student

A.C.E. stands for Accepting the Challenge of Excellence. This program recognizes high school students who have made a dramatic change in their attitude and performance during their high school years. These changes have enabled the students to overcome adversities and prepare for graduation. Each year 5 monthly Certificate Awards are given out with 1 winner of the \$2000 scholarship. Our club automatically submits their top A.C.E. Award Scholarship winner to the district competition to vie for an additional \$1000 scholarship. Winners at the district level then have an opportunity to compete for the **National A.C.E. Award** and a chance to win a \$15,000 scholarship.

Eligible candidates will have overcome difficulties such as physical or language barriers, child abuse, delinquency or substance abuse to get back on track toward a high school diploma. The candidate will graduate from high school this year OR complete GED classes by the age of 19.

Note: It is beneficial for counselors to submit information about the candidate as well, including accomplishments, family activities, church activities and/or academic records.
